Greetings from the new Administrator!

Happy June!

With summer well on its way, we are enjoying our courtyard and the sunshine! In May, we celebrated National Nursing Home Week with a barbeque, showered our nurses with presents for National Nurses Week, have had multiple outdoor gardening activities and are planning much more! I am very excited to be a part of the team at Brush Country, and can't wait to see where this facility can go. I appreciate the warm welcome I have received from staff, families, and residents.

We also have a new Director of Nursing, Jessica Brading, who is a fantastic addition to the team and is eager to improve the quality of care. With new faces on our management team we would like to invite you to please come in and meet us—we keep our doors open so you can feel free to always bring us your compliments, concerns and suggestions!

We look forward to finding opportunities to serve our residents and families every day.

Best,

*Jessica Marks, LNFA
Administrator*

June Birthdays in History

In astrology, those born between June 1–20 are Twins of Gemini. Twins have two distinct and alluring sides to their personality: sociable and ready for fun, or serious and thoughtful. Sometimes they feel as if one half is missing, so they forever seek new friends. Those born between June 21–30 are Cancer's Crabs. Kind and protective, Crabs love to nurture others. While they may be emotional, they are never soft. Cancers are tenacious in their pursuit of harmony at home and in the workplace.
