MEMORIAL

DAY

Each year during the Memorial Day holiday, we pause to honor those who have given their lives in service to our country. Throughout America's history, courageous men and women have defended our country and promoted peace around the world. To them we owe our deepest gratitude. We also extend our profound appreciation to the family members our fallen heroes have left behind.

On this day we pay tribute to those who made the *ultimate sacrifice* for our nation. Please remember those who are currently deployed and engaged, bravely standing watch. Let us also not forget our wounded heroes; Soldiers, Sailors, Airmen, Marines and members of the Coast Guard who continue fighting to overcome challenges of the visible and invisible impacts of war.
